BAR L POLLED SHORTHORN DISPERSION SALE

General Information

TIME – Tuesday, June 19, 1956, 10:00 a.m.

LOCATION – The sale will be held at the Red River Auction Pavilion located on Hiways No. 1 and 20, one mile south of Couthatta.

GUARANTEE – Since this is a complete dispersion, all of the cattle will be sold without guarantees, but we would like to point out that most of the cows will have calves at foot or close to calving, and a lot of them remated. Information for the catalog was compiled well in advance of the sale and some of the heifers listed as bred, also cows with young calves, will be mated before sale day; therefore most of the breeding dates were omitted from footnotes but a complete list will be furnished at the sale. Announcements from the auction block will have precedence over printed information.

TERMS – The terms of the sale are cash.

HEALTH – Official vaccination for Bangs disease has been practiced. T. B. and Bangs tests will be furnished on every animal sold, and official vaccination certificates with all females under 24 months of age. Every lot will comply with the health regulations into any state which they may go.

Each animal will be at purchaser's risk as soon as bid off but will not be delivered until settlement has been made. Cattle will be cared for and loaded on cars or trucks free of charge, but at purchaser's risk of loss or injury.

The above terms and guarantee constitute a contract between the sellers and the buyer of each lot. Neither the sale manager nor the person delegated as clerk assumes any liability, legal or otherwise.

All persons attending this sale do so at their own risk and the owner assumes no liability, legal or otherwise, for any accidents that may occur.

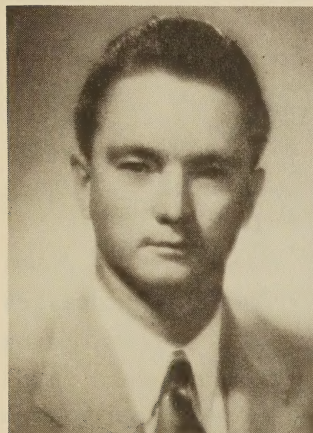

AUCTIONEER – C. D. "Pete" Swaffar, Tulsa, Oklahoma, and Walter Britten, College Station, Texas.

LUNCH – Available at Pavilion.

COUSHATTA, LOUISIANA TUES., JUNE 19, 1956

WELCOME TO OUR SALE . . .

Dear Friends:

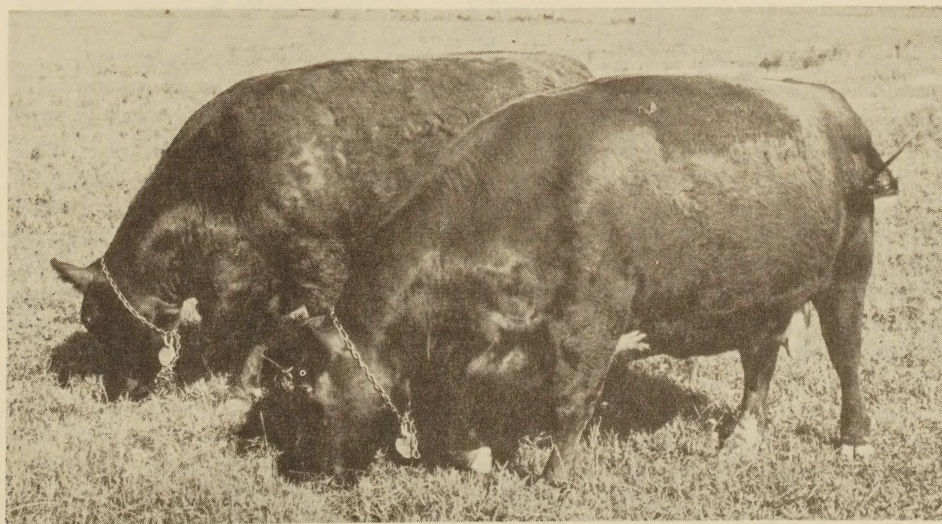

CHARLES M. LUSK

A decision to disperse our entire herd of Polled Shorthorns and Shorthorns was not an easy one to make. Since my other business activities have gradually demanded more and more of my time, it has been impossible for me to keep in close contact with my cattle. Earlier this year I sold my Waller ranch and even though we had a reduction sale last fall, I immediately found that my Cleveland operation was not large enough to take care of both the registered and commercial herds. My first thought was a drastic reduction of the registered herd but when my manager, Carl Forney, purchased a place of his own at Round Top, Texas, it was evident to me that I had little choice but to eliminate the detailed care of the registered herd and carry on solely on the commercial basis with the commercial Shorthorns I purchased a few years ago from the Carnahan herd in Colorado, and which I can do with a minimum amount of personal contact and attention.

I think everyone knows of my sincere love for Polled Shorthorn cattle, and that I traveled to every section of the United States when I set out to build the Bar L Shorthorn herd several years ago. We have been pleased to see that our judgment and selection was sound by the way these cattle, and cattle of the same breeding, have reproduced for us and others.

I sincerely believe that the Bar L herd is today at its highest peak in its production career since its inception. The herd's usefulness and value to us assure us that they will do well for their new owners on June 19.

CHARLES M. "Buzz" LUSK
Owner of Bar L Polled Shorthorns

LOT 33 - CLARA 80th, in the background, was the champion female at the 1952 Nebraska State Fair. In the foreground is LOT 66 - CHERRY HILL CLARA 4th, This daughter of the \$4,000 Collynie Compact x has a red heifer calf at foot, dropped January 30, sired by Wheatland Viking.

BUYERS FROM A DISTANCE

Anyone arriving by plane or train, in Shreveport, should immediately contact Mervin Aegerter, Carl Forney or Frank Brian, telephone No. 5536, Coushatta, Louisiana, and arrangements will be made to provide transportation to Coushatta. Sale headquarters are the Red River Auction Pavilion, telephone No. 5536, Coushatta, Louisiana.

OAKWOOD MEDALION — top selling bull of the breed in 1950 when we purchased him at the top figure at the Oakwood Stock Farms Sale, Ashville, Ohio. He is a son of Oakwood Leader x and you will like the outstanding daughters selling in this sale.

FROM THE SALE MANAGER . . .

Like the many friends of Buzz Lusk, I regret that the complete Bar L Dispersion Sale has become necessary at this time. I do know, however, that his many other business interests, plus the fact that his ranch manager, Carl Forney, has now purchased a place of his own, have left Mr. Lusk with little choice but to eliminate the detailed care which his rather large Polled Shorthorn operation would require under his direct supervision.

I went over every lot selling in this sale on April 21, and was pleased to see the good production that the herd was in at the present time. Available for buyers will be the very blood and breeding that produced the 1956 National Polled Congress champion female. She was no accident but the result of a very carefully planned breeding program. I saw a senior bull calf selling in this sale, Bar L Viking 26th, that sells as lot No. 15, that could very easily duplicate Bar L's record of this year's Polled Congress in 1957. Buzz Lusk bought a lot of cattle in the founding of this herd. The inferior producers have been discarded a long time ago. It is the cream of the herd that is left for your bidding on June 19 and I'll look forward to seeing all of our Shorthorn and Polled Shorthorn friends on that date at Coushatta, Louisiana.

BAR L POLLED SHORTHORN DISPERSION SALE

COLLYNIE COMMAND shown here in every day breeding condition. Note his great head, wonderful bone and substance, rich red color and easy natural fleshing.

Lot 1

WHEATLAND VIKING -- it is hard to tell how much this great bull has really been worth to us and to the Inland Empire breeders who owned him before we purchased him in 1951 for \$6,000. He sired the International grand champion bull, Viking 4th, and it goes without saying that consistently his sons were tops. He has been a consistent sire of show type cattle that have met with universal acceptance. He was a real show bull in his prime but of course, now has just been run on pasture and hasn't been fitted for this sale.

BAR L POLLED SHORTHORN DISPERSION SALE

BAR L ADJUSTER -- A son of the Inland Empire champion female and sired by one of the greatest breeding sons of the noted Cruggleton Allardice. Bar L Adjuster sired the 1956 National Congress champion female and, as an individual, we think, is one of the better Shorthorn bulls in the business. He is heavy-bones, short-legged, thick and deep-bodied. Has a very masculine head with a lot of natural fleshing. While we were away with the show herd this summer, he accidentally injured himself on a barbed wire fence but after surgery at Texas A & M College seems to have recovered quite fully. He is still a young bull and has a good show record as an individual and from his first calf crop produced a National Congress champion female.

BAR L VIKING 26th -- here is the best calf we have ever produced at Bar L. His dam is a most outstanding daughter of the International grand champion, Killearn Max Juggler. He has a great head that is smooth and many top cattlemen have said he is the best Polled senior calf they have seen anywhere this year. He has thickness, smoothness, good bone, is short-legged, with good scale and substances. He has a bulging quarter and fills in full and level at the tail setting. We think he can win. He has the individuality and is backed by the kind of bloodlines that should make him a breeding bull.

SNOW WHITE ROSEMARY 2d -- WAS PASTURE BRED TO HILLDALE PAYMASTER IN APRIL. Hilldale Paymaster is the outstanding son of Hilldale Collynie 50th that J. W. Bennett, Winona, Wash., retained for service. Hilldale Collynie 50th sire of the 1954 International grand champion female, Hilldale Louise, was owned jointly by Bar L Polled Shorthorns and Mr. Bennett. When he was accidentally injured during the past year while in service in the Bennett herd, Mr. Bennett replaced Bar L's half-interest in him with this outstanding son. He was delivered to Bar L Polled Shorthorns at Columbus, Nebr., during the 1956 Polled Congress Shorthorn show and sale. He is a good-headed, deep, thick-bodied bull with a world of natural fleshing and it is possible that with Mr. Bennett's consent, he will also be offered in this sale to dissolve the Bar L-Bennett Partnership interest

HILLDALE PAYMASTER -- owned jointly with W. T. Bennett, Jr., Oakville, Washington. When his sire, Hilldale Collynie 50th x, wouldn't stand shipment between Wash. and Tex., Mr. Bennett replaced our half-interest in him with this young four-year-old bull. He is a half-brother to the International grand champion female, Hilldale Louise, and his dam was undefeated in class and a member of the first prize pair of yearlings where ever shown. Mr. Bennett used this bull considerably in his herd and showed a junior get-of-sire by him last year that was only beaten once on the west coast and that being by the C. J. Broughton of Dayton, Wash. They won at the Cow Palace in Calif., at the Ogden, Boise and the Western Wash. Fair. Mr. Bennett has three of his daughters in the show herd this year and says the daughters of this bull are the best group of females he has ever produced. Several females sell with his service.
